

Math Binder Information

- Your math binder will be stored in a crate in the classroom based on the hour you have math.
- It is your responsibility to keep your binder organized and to make sure everything is inside it that is supposed to be.
- You may not take your binder out of my room - however, if you need to take something home from your binder, you may take it out of the binder and return the paper to your binder the following day.

Math Binder Sections

1st Hour

These are the 8 sections labeled on the tabs of your binder. All papers for each section go BEHIND the tab divider. When you put a new paper in a section, put it in the very back of that section so things stay in order. If you take something out, put it back where it came from!

- **INFO:** MAP score sheet, HW policy, test correction policy, overview of units, website information, etc.
- **TOOLBOX:** Math norms, math practices, representations, strategies, etc.
- **MM:** Math Minute recording sheet and Math Minutes
- **JOURNAL:** Loose leaf or graph paper to complete journal entries
- **CW / HW:** Classwork, notes, corrected homework
- **QUIZ:** Graded quizzes, quiz corrections
- **I CAN:** I CAN answer sheets
- **ENRICH:** Any papers for math enrichment
